GASSERS EVEN COUNT WITH TEXAS LEAGUERS

HILL'S DOUBLE IN NINTH GIVES
LOCALS WINNING RUN AND GIANTS
ARE DEFEATED BY 3 TO 2 SCORE

Elmer Hill won his own game yesterday afternoon when Amarillo's Pennant Winning Gassers split even for the series with Jim Galloway's Texas Leaguers as they took the second tilt 3 to 2, in a fast and interesting contest.

With the score standing 2-all Elmer crashed a ringing double to center sending Haasley, who had been hit, home from first with the winning tally, and Lefty Ferguson, who recently trimmed the Gassers in both ends of double header when he was here with Lubbock, marked up a game in the lost column.

Hill pitched superb ball holding the Dallas Giants, or Marines as they were formerly called, to two hits until the seventh inning, while his teammates were pounding Ferguson for nine hits and two runs.

The Gassers counted in the second on two singles and a double steal, came back in the fourth for another tally when Hyers doubled and Johnson and Chaney followed for singles, but after having counted in the seventh on two hits and a walk, the Dallasites knotted the score in the ninth when errors by Haasley and Moore with a hit batsman let McDonald cross the plate.

Elmer held the Giants to five scattered safeties and was never in danger except two innings when fast fielding retired the Texas Leaguers with men on the sacks.

On the other hand Ferguson was constantly in hot water. He was exceptionally wild at times, and the wire netting in front of the stands seemed to be in danger of being battered down by his numerous wild heaves against the fence.

The game was fast and snappy and was especially featured by the fielding of Skinny Moore, Gasser shortstop, and Connelley playing second for the visitors. The umpiring of Horton was so badly off form that it detracted from the interest put up by the game.

Davenport will face Sugar Maple today and another good game is assured. The count is now tied for the series and today's game will be called at 3 o'clock, when the record crowd of the season is expected to be on hand.

MANY GOLFERS
ARE COMING TO
AMARILLO MEET

The tournament committee of the Country Club received notices from the Abilene Country Club and the Shamrock Golf Club that they would send delegates to take part in the coming golf tournament to be held at the Country Club here next October 12, 13 and 14.

Enquiries are coming in asking whether winter golf will be played, that is if the ball will be played from the tee or the lie improved and the committee wishes to advise that winter golf will be played from the fairways, however if a ball is off the fairways it will be considered in the rough and must be played from the lie. They also advise all golfers to brush up on bunker shots as the Amarillo course is well bunkered and shots must be played from the lie in the bunkers.

Amarillo golfers are now getting busy with their playing and every day sees an added number out on the two courses playing around and practicing. Hill Crest Golf Club of Amarillo are expecting to enter some fifteen members in the events. Hill Crest now has a "Pro" who is giving lessons to their members and evidently they are going to try to "bring home the bacon" with their golfers.

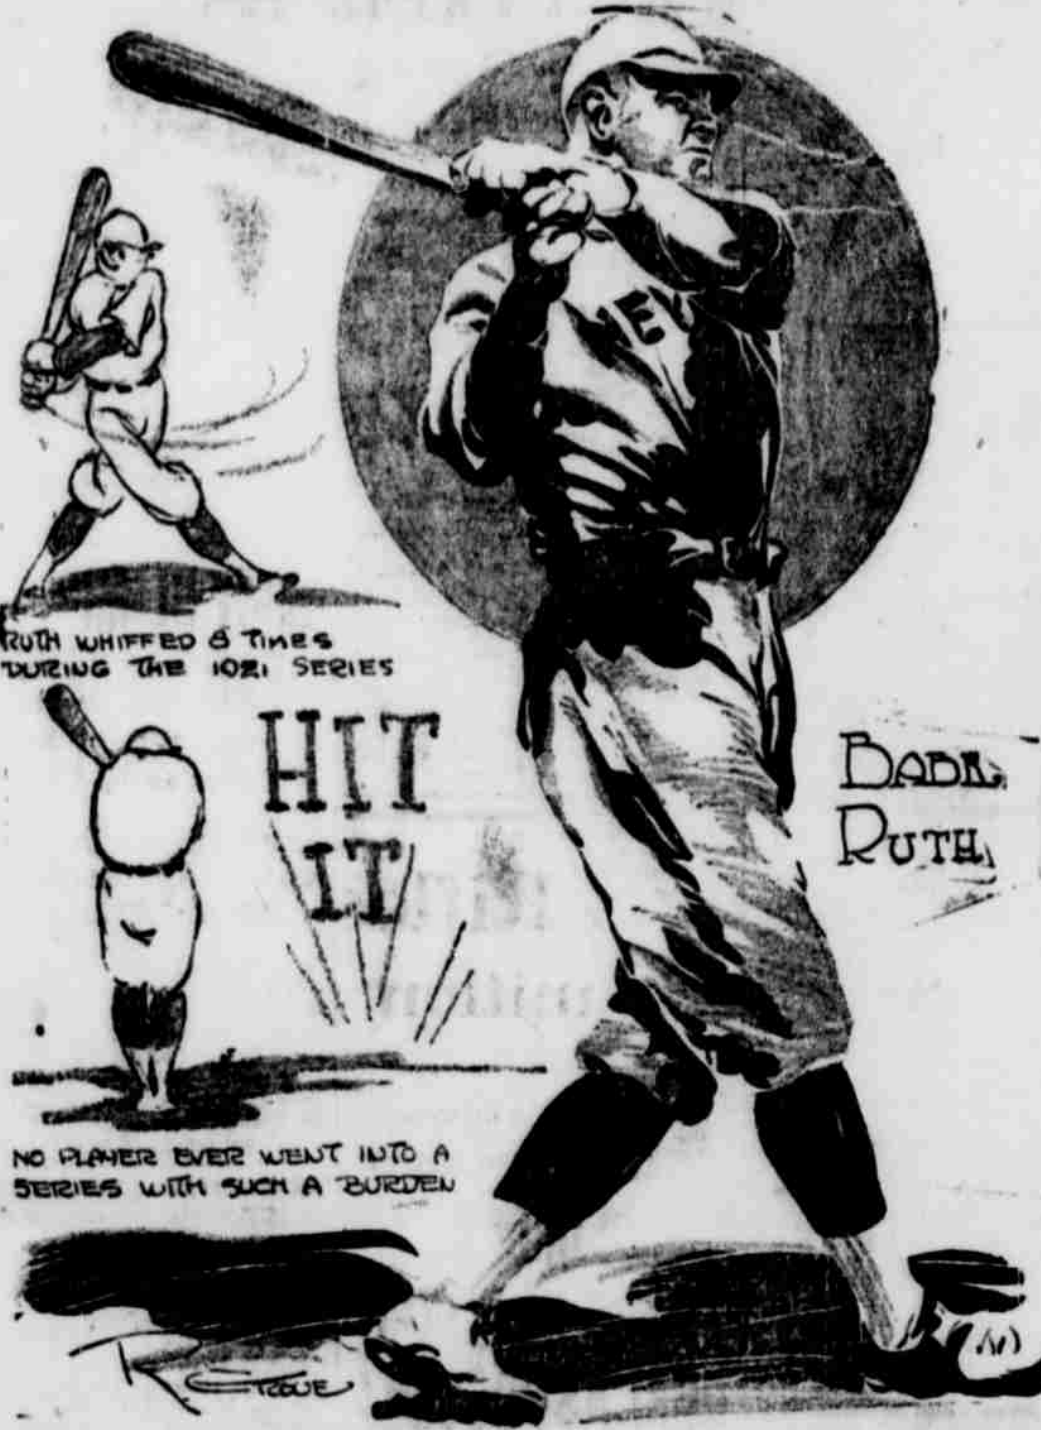

Canyon, Plainview, Lubbock, Post with their bunch of "Scott" players, Abilene, San Angelo, Sweetwater, Delhart, Tucuman, Wichita Falls and many others are expected to send teams and individuals to vie with each other in the tournament. Preparations are being made to take care of some two hundred golfers.

The Greens committee are busy re-surfacing the greens and getting them in the best possible shape for the tournament and it is hoped that before the tournament that a big rain will fall so that the fairways may be rolled with the big new roller which they now have ready for that work.

IF YANKS REPEAT,
HOW ABOUT RUTH?

Disappointing in the 1921 Series, Billy Evans Says, Babe Doesn't Look As Good Now As He Did Then

NO PLAYER EVER WENT INTO A SERIES WITH SUCH A BURDEN

If the New York Yankees are fortunate enough to take part again in the world series what part will Babe Ruth play?

While Ruth led the Yankees in hitting with an average of .313, the clash with the Giants his showing at the bat was a disappointment.

Never has a player gone into a world series carrying such a burden on his shoulders as Ruth in the 1921 clash between the Giants and the Yankees. He had just finished one of the most sensational years ever enjoyed by a major league player. He had broken all slugging records by making 59 home runs, thus eclipsing by five his best previous record.

Record 204 Hits
Nor had he confined his 1921 hitting to home runs. Aside from his 59 homers he cracked out 44 two-base hits and 16 triples. His record for the season was 204 hits for an average of .374, giving him third place in the American League batting averages, just below Heilmann and Cobb.

The baseball experts who predicted victory for the Yankees based much of their hope on Ruth's swatting ability.

ST. LOUIS, Sept. 23.—St. Louis lost to Philadelphia today 6 to 5 and dropped to four and a half games behind New York in the pennant race, as the Yankees won from Cleveland. The Browns now can do no better than tie up in the remaining games scheduled and to do this they will have to win their four remaining games and New York will have to lose its five games still to be played.

CLEVELAND, Sept. 23.—Poor support back of Sherrill Smith, former Brooklyn pitcher, who hurled his first game for Cleveland today, and Uhl, who succeeded him, enabled the Yankees to take the second game of the series 7 to 6. Successive home runs by Summa and Gardner figured in a four run rally by Cleveland in the fifth when

The Babe was figured to be the big punch in the Yankee offense. Ruth did make one home run in the 1921 series, but it was a wasted effort. It came in the ninth inning of the fourth game, with no one on, and the Yankees beaten, 4 to 1.

Throughout the series, with the exception of the second game, in which Ruth drew three bases on balls, the pitchers on the Giant's staff worked on Ruth and made him hit. Ruth struck out eight times during the series.

In the Babe's defense I want to say that nobody ever played the game in worse physical condition. A terribly infected arm made it impossible for him to take his natural swing and forced him to remain out of several games. Due to his failure to hit, the goosies had it that he quit under fire. In justice I must say that such comment was decidedly undeserved.

Babe Ruth certainly didn't quit in the series last year. It took real nerve to play, considering the condition in which he entered the series. In poor shape physically, unable to do himself justice, he was constantly "razed" for his failure to hit.

CANYON YEARLINGS NOSE OUT
VICTORS OVER SANDSTORM HERE
IN GAME PLAYED BY LAMP LIGHT

Amarillo sport fans last night were introduced to night football when The Golden Sandstorm and the West Texas State Normal College Yearlings tangled in the latter team losing out a 9 to 6 victory. Bivins Play Ground was unusually well lighted and the crowd of possibly 1,000 roared vigorously. Many Canyon rooters were in the stadium and backed the Yearlings.

The Sandies were the first to score. Late in the first quarter Kaufman and Curtis completed a pass for 15 yards for a touchdown. The Yearlings broke through the line and intercepted Hayden's attempt for goal.

The Yearlings evened the score in the second half due to poor passing by Teddy Nicklaus, Amarillo center. About three poor passes lost half the distance of the field, one of which went over the Amarillo goal line, giving the visitors six points. Key missed goal.

After plunging through the Sandies line for substantial gains in the final quarter, the Yearlings were held when they were in striking distance for a touchdown. Key dropped back for a place kick. He kicked squarely between the goal posts for three points, making the final score 9 to 6.

The game was much freer from penalties than the one Tuesday between Clarendon College and the Sandies. Between halves scores of students paraded the field and gave yells for the Sandies. Dyer, who played with the Sandies against Clarendon College, was in the line-up for Canyon. He is over 21 years old and is ineligible for high school competition.

Amarillo outplayed the visitors in the first half. Amarillo received and returned to the 33 yard line. Amarillo was held and Hayden punted. Hailey fumbled and Amarillo recovered on the visitors' 25 yard line. Canyon was off-side and Amarillo was held, punting. It was Canyon's ball on their 8 yard line. Key punted. Amarillo. Anderson made a run of 30 yards. A pass from Kaufman to Curtis netted about 15 yards and a goal. Hayden kicked goal. Scored. Amarillo 6; Canyon 0. The quarter ended with the ball in the middle of the field.

Amarillo played to Canyon's 20 yard line on the first play in the second quarter. Canyon punted to the middle of the field. Amarillo made two first downs, Elkins making a plunge of 9 yards once. Goodnight went in for Jackson as guard. The teams worked with the ball near the middle of the field. Jordan was sent in for Dawson. Amarillo was offside for 5 yards. The half ended with the ball in the middle of the field, Amarillo having failed with three successive attempts to complete a forward pass.

Cochran Burton of the Yearlings sent in Younger for R. Thompson at right half back at the beginning of the second half. W. Thompson kicked off. Amarillo made two downs. J. Anderson was thrown for a loss of 10 yards. Canyon was penalized 15 yards for attacking Anderson while he was down. Then, Nicklaus got off on passing from center. It was just a moment from the time that Nicklaus threw two or three wild passes until the Yearlings had been given their touchdown. H. Boyles was sent in for Nicklaus. Key missed goal for the Yearlings. Munsey went in for

Vincent at left end for the visitors. Wine went in for Bassett.

Canyon worked the ball through to the five yard line of Amarillo. Younger to Haile completed a pass that enabled these gains. The third quarter was up when the ball was at the 5 yard line.

The beginning of the fourth quarter was a thrilling one. Keys had gained a yard. Hailey made another yard. Younger was held and Hailey was held on the fourth down. The Yearlings lacked only a yard of making a touchdown. It was Amarillo's ball and Hayden punted to the middle of the field. Guthrie went in for Hailey. Canyon was penalized 10 yards. Guthrie made a great run of 15 yards. Dawson was knocked out for a few moments. Guthrie and Key gained 15 yards on a pass. The Yearlings got in striking distance of a touchdown, but were held. Key dropped back and made a place kick. The score was then 9 to 6 for the visitors.

Shortly after the kick-off Saderis took Kaufman's place. Elkins broke through for 10 yards. J. Anderson and Curtis passed for 15 yards. More line plunging and a pass from Hayden to Anderson put the ball down to the 13 yard line. Amarillo was held for downs, a forward pass failing on the fourth down. Hayden was taken out and Vaught sent in. Canyon took the ball and Wall dashed through for 28 yards. Canyon was held and punted. Amarillo took the ball and attempted the forward passing game the final few minutes of play. Anderson and Vaught made another gain of 18 yards via the aerial route. Coach Burton took out Goodnight and sent in Farmer. The game ended with the ball on the 20 yard line of Canyon. It was Canyon's ball.

Parcells was referee, Cradgington was field judge, Little was time keeper and Cartwright was headlinesman.

The line-ups follow:
